"Be Thankful"

Brothers and sisters, what comes to mind when you think of thanksgiving? Is it eating? Of course, there is always plenty good food on Thanksgiving. And don't forget about the family. Thanksgiving is that time we enjoy being with the family. Well, what about football? Of course that's a day that the NFL teams play. Everyone knows that the Friday after Thanksgiving is called "Black Friday." You can find great deals for Christmas gifts

on Black Friday. Thanksgiving is much more than a day for food, family and football. True thanksgiving is not just a holiday every fourth Thursday in November. For God's people, everyday ought to be Thanksgiving Day!

Of course, most of us know or have heard the story of the pilgrims and how they and the Indians of the area had a Thanksgiving feast in 1621, long before Washington's proclamation. Listen, there is nothing wrong with setting aside a day to give thanks, but the word of God tells us that this should be a continual, daily attitude.

It's "Thanks - Giving." This means that "thanks" must be given. And I believe that thanks must be given to God.

Brothers and sisters, it is amazing how when people want to take God out of the equation, they always will find a way. To keep from saying "Thank God," I hear people saying, "Thank goodness." What is thank goodness? Who is goodness? Does goodness have a name?

Then I hear people saying, "I thank my lucky stars." Where are your lucky stars? How do you get them? How do you get the stars to work for you?

The Psalmist tell us to who we are to give thanks.

Psalm 92:1 It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High:

Notice *Psalm 100:1-5 (KJV) A Psalm of praise.*

Make a joyful noise unto the Lord, all ye lands. [2] Serve the Lord with gladness: (Continued from Page 1) come before his presence with singing. [3] Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. [4] Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. [5] For the Lord is good; his mercy is everlasting; and his truth endureth to all generations.

We must have an attitude of gratitude. And our gratitude must be directed to Him. Well, how must our gratitude be directed to God? **1 Thessalonians 5:18 (KJV)** ¹⁸ *In every thing give thanks: for this is the will of God in Christ Jesus concerning you.*

Notice, Paul didn't say, "for every thing," but "In every thing." Listen, there is always something for which we can give thanks; even on the darkest day there are blessings to count.

We must remember that if we face the sun the shadows will always fall behind us; but if we turn our backs on the sun the shadows will always be in front. So you've got to give "thanks." You got to say it. You got to articulate it. Thanksgiving is not thanksgiving until you give thanks. Listen, for there is much, even under any circumstances, to be thankful for, so be thankful. Whatever you are going through, if you still have life, health, food, clothing, air, water, friends, yes - even your enemies. Yes, in all these things we should give thanks.

God uses some good and some bad, health and pain, some mountain tops and some valleys low. But listen, I don't have to see the finished product to give Him thanks. I can give thanks before the work is done.

Be thankful!

Pastor Robert and Lady Bessie Herring, Sr.

BE THANKFUL

IN ALL THINGS

Prayer and Supplication for our Pastor

Father God, in the precious name of Jesus, we come again to lift our Pastor in Prayer. First and foremost, we come thanking You for bringing him thus far on his way.

Father, thank You for keeping Your loving arms of protection all around him, keeping him steadfast, unmovable, always abounding in Your work.

Father, we pray that You keep him strong in both body and mind, strengthening him where ever he is weak and building him up on every leaning side.

Lord Jesus, as we continue this prayer we ask that You keep our Pastor from all hurt, harm and danger; bless him with every blessing that he stands in need of. Father we know that You can, we are just asking that You will.

Then Father, as we close this prayer, we pray for his family. We ask that You keep them in perfect peace, as their minds are stayed on You. We close this prayer and count it already done.

Amen and Thank God.

P. Cross

What is Epilepsy? [Epilepsy is a neurological condition which affects the nervous system.](#) Epilepsy is also known as a seizure disorder. It is usually diagnosed after a person has had at least two seizures that were not caused by some known medical condition. [Seizures seen in epilepsy are caused by disturbances in the electrical activity of the brain.](#) The seizures in epilepsy may be related to a brain injury or a family tendency, but most of the time the cause is unknown.

You may have a lot of questions about epilepsy. I hope you can understand the basic answer to the most common questions, that will help you find resources and other information you may need. However, information alone won't help you manage your epilepsy and find a way to cope with the effects on your daily life. You'll need to learn how to use the information and make it work for you.

Epilepsy is inherited. Genetics or the physical traits we get from our parents play an important role in many cases. Even so, most brothers and sisters will not develop epilepsy. Epilepsy is more likely to occur in a brother or sister if the child with epilepsy has generalized seizures. Remember, epilepsy is not "contagious" and people can't "catch it" like a cold. To get more information concerning cause and treatment go to <http://www.epilepsy.com>.

Things my Grandmama Taught Me

My Grandmama was a resourceful woman. If she didn't have an item, she utilized whatever she had as a substitute. And she taught me to do the same. The excuse that I didn't have something that I needed was not accepted.

No glue for an envelope? Prick an egg and use the egg white. Works as good as Elmer's.

Need glue for wallpapering and school projects? 4 ingredients - 1 c plain flour, 1½ c water, ¼ c sugar, 1 tsp vinegar. In a saucepan mix the flour with the sugar. Add half of the water required and mix into a thick paste without clumps. Pour in the rest of the water and combine till the paste is smooth. Pour in the vinegar and put on medium heat until the mixture starts to thicken. Cool and transfer to jar or an airtight plastic container. This glue will keep for a few days. Refrigerate to prolong the shelf life (the jar of glue in the fridge can last for 6 months). Can also be used for papermache projects.

Spray starch for ironing? My Grandmama used ¼ c flour and 1c water cooked on medium heat, thinned the solution and dipped the item in it, squeezing all of the excess out. Today, make a spray starch instead. What You'll Need: 1 Tbs. cornstarch, ¼ cup cold water, 3 ¾ cup tap water, 2-3 drops of fragrant essential oil or lemon juice (optional). Mix It Up. Bring 3 ¾ cup tap water to a rolling boil. While waiting for water to boil, mix the tablespoon of cornstarch into cold water. Stir constantly until cornstarch is completely dissolved. Once water boils, slowly stir in cornstarch mixture. If using essential oil or lemon juice, add to mixture and continue to stir for one minute. Remove from heat and let cool. After cooling add to a one quart spray bottle. Getting your children to help you would be great. Just as my Grandmama did with me.

Cleaning out your closets? As you clear out your closet of unwanted tax-deductible clothing and household items that you no longer need, why stop there? Besides Goodwill and the Salvation Army, you may also qualify for write-offs by donating building materials to Habitat for Humanity ReStores and old linens (used for pet bedding) to tax-exempt animal rescue centers. Check to see if your utility companies provide free pickup of older appliances that are not energy efficient. Some utilities will even pay you for upgrading your appliances, or they will credit your bill. (AARP magazine)

Mama B

MAMA SHARES THE PAST

Wash on Monday, Iron on Tuesday, Mend on Wednesday, Churn on Thursday, Clean on Friday, Bake on Saturday, Rest on Sunday.

Washing the family's clothes was often done on Mondays, and it took the entire day. First water was heated in an iron washtub outside. When the water came to a boil, soap shavings were added and the water was stirred until the soap dissolved. Next the clothes were dumped in and punched with a smooth four foot stick. First the whites were washed, then the colored clothes, then the heavy work clothes. The linens were included according to color, material and dirt factor. Each set of clothes was transferred to a washtub where they were rubbed with homemade soap and scrubbed on a ribbed washboard. After all the clothes had been washed, one or two tubs were filled with fresh water to rinse the clothes more than one time. The laundry was hung to dry on a clothes line, on fences and on shrubbery.

On Tuesday, Grandmama would iron the finer clothes. First she would starch them. Starch was made by boiling flour and water, or if she could afford it, Argo starch and water. One end of Grandmama's ironing board (a wood slab) would lie on the table and the other on the back of a chair. An iron was heated over a fire or stove. The clothing or material to be ironed was spread out, sprinkled with water, and then the heated iron was used to iron it.

Pioneer women spent evenings and free time sewing and mending clothing to make it last as long as possible. When clothing was completely worn out it was saved to make quilt pieces or rag rugs. Everything was mended from clothing to the sheets on the bed. 20 pound flour sacks were made of cloth with different designs on them, and they were used to make dresses, shirts and underwear. Grandmama had a treadle Singer sewing machine and sewed by hand also.

Churning was done once a week to make butter. The milk had a high fat content and Grandmama waited until it clabbered. When it was ready, she put the long wooden dash into the churn and then put the cover over it. The dash was moved up and down through the hole in the cover until the cream was thick and grainy. Then she took the lump of butter out of the buttermilk and washed it several times in cold water until the water ran clear. Next the butter was salted. After that she molded the butter in a mold, and kept it in a cool place. The buttermilk was good for drinking and for cooking homemade biscuits and cornbread. Ummm good.

Houses had to be kept clean. A homemade broom of straw or branches was used to sweep not only the house but the yard, which usually was devoid of grass. When the children were old enough, they had chores to do every day. They had to wash and wipe the dishes, sweep the floor, make the beds, dust, and assume other responsibilities as they got older.

Saturday was the day when most pioneer women baked what the family would need for the coming week. Flour and cornmeal were bought by the sack and stored in five gallon lidded metal cans so that the insects and the other "little unwelcome guests" could not get into these precious dry goods. Grandmama dipped snuff, and used the containers' small tops to cook samples just for me - whether it be a cake or cookies, that was my special treat straight from the oven of her wood burning cookstove. As I got older, she taught me how to make biscuits and cakes. Saturday was also the day for cooking Sunday dinner.

Sunday was the day for Sunday School and Church. Since we attended a very small church that had preaching only once or twice a month, Grandmama would often invite the Preacher to dinner after service. She did this also as she raised her eight children including my mother. She always told me that many times my Grandfather (a circuit preacher) would be left at the church door after preaching, and no one invited him to dine with them.

I admit I am not half as organized as the women before me, nor do I have the stamina, but I am working on it (smile).

Mama B

HAPPY VETERAN'S DAY - November 11, 2016

Not a day goes by that we should allow our memory to falter - for we should constantly remember those who fought and those who are still fighting so that we can be free. There's an old saying that goes... "I know to whom I owe. First to God and then to those who fight for liberty."

THE OATH OF ENLISTMENT

"I, _____, do solemnly swear that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and The Uniform Code of Military Justice. So help me God."

Memorial and Veteran's Day are times that we have the opportunity to express our appreciation for the service rendered by our veterans. So, on behalf of the Mt. Bethel Baptist Church family, we would like to take this time out to say "Thank you" to all of our military veterans everywhere. We love you and God bless you!

Please accept this flag and proudly display it.

Dea. Davis

POSITIVE MESSAGE

You Reap What You Sow!

Stop Letting People Upset You! When we allow what people say, how they feel about us, or their opinions toward us affect our behavior, we give them power and control over us. There will be times when you will experience hurt and pain, as the result of other people, but you must learn how to deal with the situation without allowing people to get the best of you. Remember no one can upset you unless you allow them. **(Ephesians 4:26 - Be ye angry, and sin not: let not the sun go down upon your wrath)**

Before you open your mouth to judge someone, criticize someone, lie on someone, or spread rumors about someone, make sure you're living a perfect life before the Lord. Use today as your opportunity to encourage someone. You do reap what you sow! **(2 Corinthians 9:6 - But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully)** **(Galatians 6:7 - Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap).**

D Bell

OUR ANGEL HAS HER WINGS

Ja'Cole D.

(In the voice of Grandma Bert)

*My children, I am happy,
And my soul has been set free;
I am in Jesus Christ's heavenly bliss,
I am in the presence of thee.*

*My family, I love you dearly,
I indulged in all the love you've shown me;
I tried to build a family based on love,
And through you all, positive results I see.*

*I am so proud and honored
To have a family as caring as mine;
You were all patient, understanding, and courageous
Throughout my trying times.*

*My children - KeKe, Lorenzo ,and Vinny,
Humble like me, laid back and kind;
Pookie, Marva, Terry, and Carma -
Hearts of gold, but will speak their mind.*

*To my Baby, Junior, my love,
I want you to know that I'm okay;
My love for you goes beyond what time can see,
We'll be together again one day.*

*Marrying you was the best decision I ever made,
You've given me happy years and a love-filled life;
I adore your love and compassion you've always had
for me,
I was honored to be your wife.*

*You supported me through it all never leaving my
side,
You did everything that you could do;
I couldn't have asked for a better partner in life,
I love you so much and I truly thank you.*

FAMILY...

**WHEN THE SUN RISES IN THE MORNING,
AND WE HEAR THE BIRDS BEGIN TO SING,
YOUR HEARTS SHOULD FILL WITH WARMTH
AND JOY
BECAUSE YOUR ANGEL HAS EARNED HER
WINGS!**

National Peanut Butter Lovers Month

For those of you that enjoy and love Peanut Butter, it's time to celebrate our favorite food! November is Peanut Butter Lovers Month, and Americans will celebrate by eating more than 65 million pounds of peanut butter during the month of November. Southern Peanut Growers started the celebration as Peanut Butter Lovers Day on November 4, 1990. This holiday is not just about the love of peanut butter but it's all about the people who love peanut butter too!

If you are an American you most likely grew up eating peanut butter and jelly sandwiches as a kid. Just think, it takes 540 peanuts to make a 12 ounce jar of peanut butter. George Washington Carver was known as the "plant doctor and the grandfather of peanuts." Though he did not invent peanut butter, he discovered many ways to use peanuts and also developed innovative farming methods, including crop diversification and soil conservation. Did you know that boiled peanuts are considered a delicacy in the south? Freshly harvested peanuts are boiled in supersaturated salt water until they are of a soft bean like texture. They are most frequently enjoyed at the end of the day with a favorite beverage.

M Taylor

patience.

When God was passing out patience I was missing that day. Yet I have prayed and asked for it. I'm better than I used to be, but still not where I should be. The Bible tells us that "Patience is a virtue." The dictionary says that patience is a person's ability to wait something out or endure something tedious, without getting riled up. I will admit that it does take a lot of patience to wait for something specific within a certain timeframe. If by some chance it doesn't come to pass when you expect it and you are of little patience, then in a lot of cases it brings about aggravation along with a high level of frustration. So what do we do? We want to bail out and do something else when all we had to do was to exercise some patience and receive what is already available.

According to 1 Samuel, Lack of patience can cause you to miss blessings. If provision has already been put into place and all we have to do is wait for it to manifest, but instead we decide to step in and hurry things up, then we could easily sabotage our own blessing. We have to be willing to suppress restlessness or annoyance when confronted with delay, just as we are supposed to do when our children get on our nerves.

There are so many areas where we could benefit from being patient. To mention a few: love, finance, health, children, and so forth. You could have prayed for Mr. /Ms. Right but didn't have time to wait on God to hand select him or her for you. So you missed out because of your lack of patience. Then you turn around and pray for a financial blessing or for God to heal you of some health issue. Again it's taking too long so you interfere and try solving it yourself and God just steps back to let you do it your way, which by the way causes you to miss your blessing once again.

The moral of the story is to "Wait" on the Lord for whatever you need and be of good courage and He will bless you abundantly.

For the **vision** is yet for an appointed **time**, but at the **end** it shall **speak**, and not **lie**: though it **tarry**, **wait** for it; because it will **surely come**, it will not **tarry**. Habakkuk 2:3

E. Smiley

*Patience with others is
LOVE.
Patience with self is
HOPE.
Patience with God is
FAITH. ~ Adel Bestavros*

Home Remedies

1) Oil Away Aches and Pains (Hot Oil For Quick Relief) - A Castor Oil Pack is a traditional remedy to soothe and heal injured muscles, and it's easy to use. Just apply some Castor Oil to the area and cover it with plastic wrap, then top it off with a Heating Pad set on "low". The heat will help the oil penetrate your skin, where it will ease the pain and any stiffness. Leave the pack on for about 30 minutes, then wash the oil off. You can repeat the treatment twice a day until your muscles heal. **Caution:** Don't use this treatment for acute injuries.

2) Snappy Solutions - One of the best ways to relieve muscle aches is to eat some pumpkin seeds. They are loaded with fatty acids that lower the levels of the body chemicals that are responsible for muscle aches. So just chew some seeds during the day, and you should be able to say good-bye to your muscle aches. Also, for those cramps that get you in the legs at night, have some lemon water each night before you go to bed and that should alleviate most of them. I hope these hints will help to keep you healthy and moving as you go from day to day.

D Gosine

Living Faith is the kind of faith described in the Bible that can transform your life, enabling you to enjoy a close, personal relationship with God. Faith can offer freedom from the shackles of worry, doubt and fear. It can bring strength, hope and wisdom in the face of problems and challenges.

It brings to mind images of fiery prophets, dynamic apostles, brave martyrs and

exceptional followers of Christ across the ages - Great people of God, powerful and effective. Could you ever have faith like those great people in the Bible? Perhaps you can.

The subject of faith in many instances is often talked about, but so misunderstood. And yet, God says that without faith it is impossible to please Him, "because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him." ([Hebrews 11:6](#)).

Jesus declares in Mark 11:22: "Have faith in God." He is speaking about a heartfelt belief. Such belief involves trust, commitment and loyalty. Faith in God means belief in Him even though we cannot physically see Him. It means accepting God's principles, His words, His instructions on believing in and doing what He wants.

The Bible reveals numerous examples of believers who in faith served God, which allowed them to receive answers to prayer, to triumph over adversity and to do remarkable deeds. These examples have been recorded and handed down to us for our learning.

Living the Christian life constantly requires the exercise of faith. It is by faith that Christians come to repentance and the knowledge that Jesus Christ died so their sins may be forgiven. By faith they know God has given them His Spirit and they are His children. And in faith they await the immortality and glory promised at the resurrection of the dead when Christ returns. Faith assures them that God watches over them, cares for them and hears them when they pray.

Congratulations, Dr. Q

Kudos to our own Dr. Quiana Wilson, who was officially transferred to Walgreen's at Lem Turner and Rowe on Friday, October 21, 2016, as Head Pharmacist. She is the daughter of Dea. Ralph Wilson and the late Sis. Wanda Wilson.

WEDDING BELLS

Congratulations and best wishes to the newlyweds, Rev. and Mrs. James and Maggie Gartrell Edmondson, Jr., who repeated their vows to each other on third Sunday, October 16, 2016. Mrs. Edmondson is the daughter of Augusta McClain and Mrs. Julia Wells. Rev. Edmondson is the son of Mr. and Mrs. James Edmondson, Sr., and Ms. Johnnie Mathews.

Hello, Mt. Bethelites! The leaders of Districts One thru Five would like to invite you to join us for Homecoming 2016. This year we are definitely "Raising the Standard," so you don't want to miss out. Homecoming 2016 is facilitated by all the members of District One thru Five. Be ready to praise and worship with us on this **Third Sunday, November 20, 2016, at**

the 11:00a.m. service, and bring all your family and friends. Come home, come home, it's Harvest Time. This will be a Homecoming you don't want to miss!
